

RIVERTON POLICE DEPARTMENT - INCIDENT REPORT

Report No. RPD-26-00877-SYN. Reporting officer: Officer Sam Okafor, Badge 4410.
NARRATIVE

On March 4, 2026 at about 21:40 hours I responded to the parking structure on Delmar Avenue after a call about two people sitting in a parked vehicle with the engine running. On arrival I observed a grey sedan on level three with two occupants.

I identified the driver as MARK TELLER by his state identification card. The passenger identified herself as IRINA VOSS. Both occupants were cooperative and stated that they were waiting for a friend.

I observed a black Samsung phone in the center console and an Apple iPhone on the passenger seat. Both phones were collected and placed into evidence under item numbers 1 and 2. Neither phone was examined at the scene.

Officer Lena Park arrived at 21:52 hours to assist. Officer Park searched the vehicle with the consent of the driver. No contraband was located in the vehicle. Officer Park noted

an envelope in the glove box containing two printed concert tickets for an event at the Riverton Arena on March 6, 2026.

TELLER stated that the tickets were a gift for VOSS and that he had arranged to meet her at the structure because it was close to her apartment. VOSS stated that she had suggested the structure as the meeting place.

Both occupants were released at the scene at 22:30 hours. The phones were transported to the station and logged into property by me at 23:05 hours.

No further action was taken at the scene.
